### **About Greencity Convention**

The Greencity Investment Forum took place during the Greencity event, on 17 and 18 October at the Cité Descartes in Paris-Marne-la-Vallée. The GreenCity event programme included conferences, an investment forum, a sustainable village and the presentation of innovative research programs. Participants had the opportunity to meet French and International professionals (public and private clients, large companies, SMEs) working on the topics of energy efficiency in the Sustainable City. The sectors concerned were multiple, such as urbanism and architecture, water treatment and public lighting, digital planning, energy management, energy efficiency, the upgrading of buildings, air handling, transportation, green building.
